BANQUET MENU

Welcome to Historians Ale House, sister restaurant and bar of RiNo Beer Garden. We are a 4,000 square-foot Colorado inspired ale house located in the center of the South Broadway entertainment district in Denver, CO, with must-see views from a 2,000 square-foot rooftop patio. The following sheets contain food and beverage options for banquets. All items listed are priced per person, per item. An approximate size is included next to each price. We do this to give you a better idea of exactly how much product you are getting. (Better for planning - we think). A deposit and minimums may be required depending on times and day of the week. If there is something you desire that is not included on our banquet menu, please let us know and we will do our best to accommodate. Reservation space is on a first-come, first-serve basis. We cannot guarantee a reservation to inclement weather. Please fill out the below information entirely.
